Hi Sonja...

[REDACTED] case has been sent to a trial session, but is backed up behind a murder trial starting next week, so it will probably be at least a week, if not more.

You had done the testing on cocaine, marijuana and lidocaine. I'm still trying to work this out by way of a plea, but just in case, I wanted to give you the heads up.

Are there any days in the next few weeks that you know you won't be available?

Hope all is well!

-Eileen
